Splish Splash Water Park is Roaring into Action on May 26th, 2012

RIVERHEAD, New York (May 22, 2012) – Splish Splash Waterpark is celebrating summer with a splash with the debut of a new adventure, Dinosaur Falls. Dinosaur Falls roars to life on opening day May 26th, 2012. Grab your raft for a daredevil expedition into the wilds of prehistory. Fortunately, the water runs fast, so you should keep just ahead of the dinosaurs. Be warned: the only thing bigger than their teeth is their appetite!

Also new for 2012, H2Go Pass. This all new Splish Splash virtual rider reservation system holds your place in line, so you can spend more time having fun and less time waiting for our most popular attractions. The H2Go Pass can be purchased at the H2Go Booth located in the main plaza.

Tempting those taste buds has never been easier with our 2012 additions; Bryers hand dipped ice cream, Gevalia’s Signature Collection of Gourmet Coffee, and Johnny Rockets serving those All-American favorites.

With 96 acres of slides and attractions, Splish Splash truly offers fun for everyone. There are adventures around every turn with Mammoth River, Hollywood Stuntrider, Dr. Von Darks Tunnel of Terror, and the Dragon’s Den. Thrill seekers never get tired of the 85 ft Cliff Diver, faster than lighting Max Trax, and the never ending drop of Shot Gun Falls. For the young at heart there is Monsoon Lagoon, Elephant Pool, Kiddie Cove, and Pirate’s Cove. The surf is always up at our two wavepools, that’s right, TWO wavepools, Surf City and the all new Kahuna Bay. Hang ten dudes! Or, you can lounge around in the Lazy River, a 1300 foot long river with cooling fountains where guests of all ages can float along and relax. From the devoted thrill seeker, to the laid back sunbather, to the tiniest of tots, there is something for everyone at Splish Splash.
